Section 2 - Conflicting Laws, etc. It is intended by the Declarant, its successors and assigns, that this Declaration shall not in any way supersede, prevail or control over any laws, ordinances, rules and regulations now in effect or hereafter enacted by the Township of Concord.

## **ARTICLE III MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION**

Section 1 - Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Sublot or unallotted land which is subject by covenants of record to assessment by the Association, shall be a member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of any obligation shall not be a member.

Section 2 - Voting Rights. The membership of the Association shall be divided into two classes entitled to the rights hereinafter set forth with respect to such classifications. The Association shall have two classes of voting membership, namely Class A and Class B.

Class A. Class A members shall be all those Owners as defined in Article I, Subsection (e), with the exception of the Declarant. Class A members shall be entitled to one vote for each Living Unit or Sublot in which they hold the fee simple interest or interests. When more than one person holds such interest or interests in any Living Unit or Sublot, all such persons shall be members, and the vote for such Living Unit or Sublot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Living Unit or Sublot.

Class B. The Class B member shall be the Declarant and Declarant as the Class B member shall be entitled to ten (10) votes for each Living Unit or

Sublot owned in the Exhibit "A" property. Class B membership shall cease and become converted to Class A membership when Declarant no longer owns any Living Units or Sub-lots.

Section 3 - Articles and Code of Regulations of the Association. The Articles of Incorporation and Code of Regulations of the Association may contain any provisions not in conflict with this Declaration and as are permitted to be set forth in such Articles and Code of Regulations by the non-profit corporation laws of the State of Ohio as they may be in effect from time to time.

#### **ARTICLE IV** **DUTIES OF ASSOCIATION AND COVENANT FOR MAINTENANCE AND ASSESSMENT**

Section 1 - Duties of Association. The Association shall be charged with the duty and responsibility of maintaining, repairing and replacing the Common Areas and Facilities. Further, the Association shall be charged with the duty and responsibility of (i) promoting the recreation, health, safety and welfare of the Members; (ii) granting and accepting easements; (iii) levying and collecting the assessments provided for hereinbelow; (iv) insuring compliance by Members with terms and provisions of the Environmental Easement; and (v) performing such other services and taking such other actions as are approved by the Members and as are not inconsistent with the terms and provisions hereof.

Section 2 - Creation of the Lien and Personal Obligation of Assessment. Declarant from and after the filing of the Plat and each Owner of any Living Unit or Sublot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed, shall be deemed to covenant and agree to pay the Association: (1) reasonable annual assessments or charges; and (2) reasonable special assessments for capital improvements and other expenditures approved by the Association; such assessments to be fixed, established and collected from time to time as hereinafter provided. Further, each owner of a Sublot within the Subdivision shall, from and after the construction of a Living Unit thereon, pay as an annual assessment to the Association the sum of \$25.00 per year in order to create a fund for the purpose of securing compliance by the Members with terms and provisions of the Environmental Easement. Provided, notwithstanding the foregoing, such assessments with respect to the Environmental Easement shall terminate when amounts deposited pursuant thereto including interest earned thereon total in the aggregate the sum of \$30,000.00. Funds so collected by the Association with respect to the Environmental Easement shall be deposited in a separate account, which account shall be established in such manner as to allow Lake Metroparks to draw upon same when in the reasonable opinion of Lake Metroparks, the Members have failed in one or more respects to comply with terms of

the Environmental Easement, and such funds shall be used by Lake Metroparks in order to address any such failures. In the event that the cost of compliance activities undertaken by Lake Metroparks exceeds the amount on deposit in said separate fund, the Association shall fund the shortfall by assessing the non-complying Owners. The annual and special assessments together with costs of collection thereof as hereinafter provided shall be a charge on the land and shall be a continuing lien upon the property or Sublot against which each such assessment is made. Each such assessment, together with such interest and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment became due.

Section 3 - Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of providing funds necessary for the Association's discharge of its duties and responsibilities as herein provided.

Section 4 - Basis of Annual Assessments. The date of commencement of annual assessment and the amount thereof shall be determined by the Trustees of the Association pursuant to Article IV, Section 6 hereof. The assessment period shall be based on the calendar year. The Board of Trustees shall establish a Budget and set the assessments for each year.

Section 5 - Special Assessments for Capital Improvements, Etc. In addition to the assessments authorized by Section 4 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement including necessary fixtures and personal property related thereto, provided that any such special assessment shall have the assent of two-thirds (2/3rds) of the Board of Trustees.

The assessments set out in Sections 2, 4, and 5 above are enforceable as provided by law or under Article IV, Section 8 of this Declaration.

Section 6 - Date of Commencement of Assessments. Except as otherwise herein provided with respect to the assessments related to the Environmental Easement, the annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Trustees of the Association to be the date of commencement.

Except as otherwise provided herein, the first annual assessment shall be made for the balance of the calendar year in which it is made and levied and shall become due and payable on the day fixed for commencement. The Assessments for any year, after the first year, shall become due and payable on the first day of January of said year.

Annual assessments shall be paid yearly, semi-annually, quarterly, or monthly as determined by the Trustees, except that the annual assessment relating to the Environmental Easement shall be paid annually as provided in Section 2 of this Article IV.

The due date of any special assessment under Section 5 hereof shall be fixed in the resolution authorizing such assessments. Special assessments shall be paid yearly, semiannually, quarterly or monthly as determined by the Trustees.

All assessments shall be apportioned by dividing the total sum thereof by the number of Sublots in Nature Preserve I Subdivision.

Section 7 - Duties of the Board of Trustees The Board of Trustees of the Association shall supervise and manage the affairs of the Association and shall cause the Association to discharge its duties as established herein, and shall levy and collect assessments as herein provided. Further, the Board of Trustees of the Association shall prepare a roster of the Owners of the Sublots and of the assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by any Owner.

Written notice of an assessment shall be sent to every Owner.

The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of any assessment therein stated to have been paid.

Section 8 - Assessments a Lien; Effect of Non-payment of Assessment; Personal Obligation of the Owner; The Lien, Remedies of the Association. All assessments shall be a lien against the subject Sublots and Living Units in the amount attributable thereto as hereinabove set forth from and after the date on which same are levied or assessed by the Trustees. If the assessments are not paid on the date when due, then such assessment shall become delinquent, together with interest thereof and cost of collection thereof as hereinafter provided.

If any installment of an assessment or special assessment is not paid within thirty (30) days after the due date, such delinquent assessment or installment shall bear interest from the due date at the rate of twelve percent (12%) per annum, and the Association may after such thirty (30) day period bring an action at law against the Owner responsible for the payment of such assessment, and may foreclose the lien against the property, and in the event a judgment is obtained, such judgment shall include interest on the assessment or installment amount as above provided, together with the costs of the action and reasonable attorney's fees in an amount to be determined by the court.

The personal obligation of the then Owner to pay such assessments shall remain his personal obligation; provided, however, upon the Association's filing of a lien of record against the property, the same shall be enforceable against the Owner's successor in title, if not satisfied by the Owner.

The Association may file in the office of the County Recorder an Affidavit of Lien to evidence any delinquent assessment or installment, but the Association shall not be under any duty to file such Affidavit of Lien and, its failure or omission to do so shall not in any way impair or affect the Association's lien and other rights in and against the property and against the Owner of such property. The Association shall cause a copy of said Affidavit of Lien to be served by regular United States certified mail postage prepaid, to the last known address of the Owner.

Section 9 Subordination of the Lien to Primary Mortgagee. The lien of the assessments provided for herein shall be subordinate to the lien of a first mortgage, if any, placed upon the Property subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 10 - Exempt Property. The following property shall be exempted from the assessments and liens created herein: (a) All properties to the extent of any easement or other interest therein dedicated to and accepted by the Township of Concord and devoted to public use; and (b) All properties of the Township of Concord which are exempted from taxation by the laws of the State of Ohio.

## **ARTICLE V** **ARCHITECTURAL CONTROL**

Section 1 - Architectural Control. No building, fence, wall or other structure shall be erected, placed, or altered within the Property, until the plans and specifications showing the nature, kinds, shape, height, materials, colors and location of the same shall have been submitted to and approved by the Declarant or its representative in writing to assure harmony of external design and location in relation to surrounding structures, topography, landscape plans, signage types. Responsibility for Architectural Control as described above will transfer from the Declarant to the Association when Declarant ceases to own any Sublots, whereupon the Board of Trustees may, if it so desires, establish an Architectural Review Committee comprised of three (3) members, all of which shall be Members. The Board of Trustees shall be responsible for appointing all three members. The Board of Trustees shall then establish rules and regulations by which the Architectural Review Committee shall conduct its meetings.

Section 2 - Architectural Review - Township. The procedures established for architectural control set forth in Section 1 above by the Declarant for itself, the Association and the Architectural Review Committee to be hereafter established, shall not in any manner conflict with, supersede, abridge or limit the architectural review procedures now existing or hereafter established by the Township. Declarant's right of review and approval of structures to be built upon the Sublots within Nature Preserve I Subdivision is intended to be in cooperation with the architectural approval procedures adopted by the Concord Township in order to further ensure, preserve and obtain a desirable, suitable and harmoniously designed residential community containing high aesthetic values.
